To Whom It May Concern:

Rick Dudney and TCOR Management have been providing risk management and insurance placement services to my businesses for over 8 years beginning with Torqued-Up Energy Services, then Old School Services, and now Top Line Rental. They also insure my ranches and other personal interests.

I have found Rick and the staff at TCOR to be responsive, hard-working, and knowledgeable of oilfield exposures, MSAs, and the best methods to transfer risks to insurance carriers where possible. They were helpful when my businesses were small start-ups, and also when they had grown to hundreds of employees and when we prepared and sold to different entities.

I believe the staff at TCOR genuinely cares about the success of my businesses and the personal well-being of my family and my employees.

I highly recommend Rick and TCOR to anyone in the oilfield needing insurance and risk management services.

Sincerely,
