

The Auto ID Tab

Your current auto policies are examined for vehicles insured on the policy. When a vehicle is found it appears on the Auto ID tab. On this tab you can print an Auto ID card for a policy or view it online. Being able to view online is handy if you need your Auto ID card, but don't have it with you. You can use your smart phone or tablet to access the Portal and produce an electronic copy of your card.

In order to view your Auto ID card simply click on the vehicle you wish to view or click the **View ID Card** link and the card will appear for you to view online or print for your records.
